OTHER (description):

The amounts in the "Termination without Notice" and "Termination with notice" columns are estimates.

Southwest Gas Corporation's system tracks total terminations; it does not break them out between those with and without notice. The break out was done using a fixed percentage that was based on experience.

The amounts in the "Other" column are tenant changes, meaning that they are not actual disconnects.

They represent only a change of existing service into a new customer's name.
